Jennifer Turkiewicz
Real Estate Assistant

I have worked in the forestry industry for over 16 years, and I am excited to apply these skills to the real estate world. I have served in an administrative role providing customer service; information gathering, verifying; and assembling; detail-orientated report writing, proofing, and compilation; insurance and training tracking; as well as accounts payable and accounts receivable management.

Volunteering is very important to me, and I have served in multiple roles for various boards and organizations. I have held the President, Vice President, Secretary, and Treasurer positions for St. Mary's Home and School Board and was co-chair of the Legacy program; I was a Cub Scout Leader and Assistant Cubmaster with our local Pack 548, and also served as a Merit Badge Counselor and Committee Member with Troop 548. Currently, I serve as the secretary and treasurer for Tomahawk Extended Area Partners in Education (TEAPIE); am a member of the Little Rice Fire Department and serve on the Emergency Services Unit (ESU), as well as the promotions committee; and I am the Executive Director of Tomahawk Main Street.

I spend my free time relaxing by the fire, hanging out with my family and friends, reading, and working on puzzles. For me, these are great stress relievers, and they help me relax so I can hit the ground running again for the work week.

I am thrilled to be working alongside our dedicated team to help make your real estate dreams come true!
